BLACKHEADS "PET HATE"

Say Men, Girls in Choosing Date

What a "black mark" is the blackhead . . . according to men and girls popular enough to be choosy about dates!

"Nobody's dreamboat!" "Nobody's date bait!" And that's not all that's said of those who are careless about blackheads. But blackheads ARE ugly! Blackheads ARE grimy! And they DON'T look good in close-ups!

So can you blame the fellow who says, "Sure, I meet lots of girls who look cute at first glance. But if, on that second glance, I see dingy blackheads, it's *good night!*"

Or can you blame the girl who confesses, "I hate to go out with a fellow who has blackheads. If he's careless about that you're sure he'll embarrass you in other ways, too!"

But you — are YOUR ears burning! Well, you've company and, sad to say, good company. There are lots of otherwise attractive fellows and girls who could date anyone they like if they'd only realize how offensive blackheads are . . . and how easily and quickly they could get rid of them . . . if they want to!

"He-Man" Often Guilty of Blackhead Crime

Take your "he-man" . . . super at track, games, sports of all kinds . . . who thinks that after just a shower he's ready to go anywhere! And won't the girls all admire his muscles!

Sure they would! But not many dance floors are set up for hurdle races! You can't show off your snappy left hook when only cokes are in the ring. The "he-man" who's also clean-cut, will get the breaks wherever he is.

Even Cute Girls Become Careless

Easy, too easy, for a girl to think that if she has the latest in clothes and hair-do she needn't bother about blackheads. A little more make-up, the guesses, will take care of that. BUT MAKE-UP WON'T HIDE BLACKHEADS! Not unless it's plaster of paris, maybe! And even good make-up "slips" at a dance! So don't take chances, cute though you may be!

TAKE THESE TIPS TO BANISH BLACKHEADS

Keep skin clean by washing morning and night with warm, almost hot, water. Use good soap and plenty of it. And finish with cool water.

Extract every blackhead as soon as you see it — with a SAFE extractor. Don't use finger-nails. Don't squeeze. That may mean infection, injured tissues, a marred skin.

Just be clean! Be quick! And be safe! That's easy! And that's ALL!
